

Joint Parish Planning

*“Creating One New Parish
for All”*

A message from the Parish Name Subcommittee

Thank you to all who voted!

The Parish Name Subcommittee received over 716 ballots. Receiving over half the votes, **“Sacred Heart”** is the overwhelming choice.

It is important to remember that each Church will retain its current name.

The name **“Sacred Heart”** will be submitted to the Bishop for approval as the name of our overall Catholic community. If the Bishop approves, the new name will be in effect on July 1, 2025.

Thank you again for your suggestions.
