## Bulletin Quotes

### February 2<sup>nd</sup>

“A society is all the more human to the degree that it cares effectively for its most frail and suffering members, in a spirit of fraternal love. Let us strive to achieve this goal, so that no one will feel alone, excluded or abandoned.”

Pope Francis, Message for the 29<sup>th</sup> World Day of the Sick 2021

### February 9<sup>th</sup>

“Married love differs from any other love in the world. By its nature, the love of husband and wife is so complete, so ordered to a lifetime of communion with God and each other, that it is open to creating a new human being they will love and care for together.”

USCCB, *Married Love and the Gift of Life*

### February 16<sup>th</sup>

“We often assume parenthood happens easily after ‘I do,’ but for many married couples, it does not. For some, the joy of conception never happens. Others suffer repeated miscarriages. Still others experience secondary infertility... If you experience difficulty bringing a child into your family, know that you are not alone. God is with you, and his Church desires to walk with you... God has a beautiful plan for your life as a married couple.”

### February 23<sup>rd</sup>

“The essence of our identity is that we are created in God's image and likeness and loved by Him. Nothing can diminish the priceless worth of any human life. Every person is *cherished*.”
